

GREG WILLIAMS

My vision for Division 5 is for a more resilient and connected community well prepared for future challenges by:

1. Supporting the location and construction of a Regional Art Gallery at Russell Family Park
Increasing funding for Hinterland Tourism SC to promote the hinterland & investigating expenditure of levies
2. Constructing more pedestrian & cycle paths & linking the Hinterland Great Walk to Montville
3. Re-empowering landowners to mitigate against disasters by re-establishing well planned, cost effective, controlled fire load hazard reduction.
4. Improving local Public Transport Services
5. Improving local roads & supporting the clearing of lantana and other weeds from roadsides
6. Limiting rates increases to CPI or less
7. Supporting promotion of Hinterland Heritage Beverage Cheese & Food Trails
8. Amending planning powers to retain & protect the character & amenity of our unique heritage townships & enable the sustainable growth & operation of eco-tourism & rural businesses
